KILBURN TAMARA 5/13/2021

Page 43 what time in 2019? 1 When did you buy for summer 2020? 2 3 So for summer 2020 I had very, very limited product coming in because I wanted to be on the 4 5 conservative side. Just because I didn't feel like I was going to have the same performance as 2019 that 6 7 summer and I would rather be on the conservative side. 8 Also, on a side note, you know, I'm ordering 9 from people who have -- they are a small business as 10 well, so I don't feel comfortable projecting and 11 ordering if I don't know or am unable to take it in, 12 if that makes sense. Uh-huh. 13 Ο. 14 So I just want to be super duper Α. conservative and that always works out best for 15 16 everyone. So you didn't have much coming in in June 17 18 And when did you make that decision on taking a conservative approach? 19 20 All of 2020 was conservative. 21 Why? 0. 22 Well, we had this thing called Covid; I 23 don't know if you're aware of that. We were shut 24 down, I believe, March 13th.
